The Gateway to Veteran Health Benefits & Services

My Health_Vet is a web-based application designed specifically for veterans and their families. It will help veterans work better with healthcare providers to achieve the best possible health.

www.myhealth.va.gov

Note: Online pharmacy service is only available to veterans receiving care at a VA facility and are also registered My Health_Vet users.

View Your Prescription History

Through the Prescription History option:

- View and track your VA prescriptions history
- Print a copy of your history
- Review and print specific information about a single prescription from a **View Details** option

Refill Prescriptions

Through the Refill Prescription option:

- View active VA prescriptions
- Select an active prescription to be refilled
- Have the refills delivered to your home
- Check the status of a refill order anytime, anywhere there is an internet access
- All prescription refills ordered through My Health_Vet are delivered by Consolidated Mail Outpatient Pharmacy within 5 to 10 business days
